Summary

In the eighth year of the Taisho Era,* after a terrible crop failure, Narito scours the capital to find work to provide for his small children and sickly wife. He is employed by the young manager of Tsuzuki Trade Management company, a cold, ruthless man with a secret. A sad and touching love story set during the Taisho Era!

*AROUND 1919

Comment

I'm happy I could tell the story of Ikuo Tatsuhisa and Akane first met for the "Roman Gousha" extra. Because the original manga was set in the Taisho Era, I've developed a habit of studying modern history. Hopefully, I'll get the chance to do another manga set in that era.
